STYLE F&B

- Identifiers can only be used with Biz Care scrub tops
- The perfect way to differentiate streams and job roles without having the team in different coloured scrubs
- Identifiers easily snap onto the hidden press studs on the scrub sleeve which is hidden with button holes for a clean finish
- Located on the LHS sleeve cuff
- Placement on arms and not on neck-line to ensure patients do not pull off or it gets caught in stethoscope/tools
- Small monogram is possible to call out department, wearers name etc.
- For permanent application it may be possible to stitch identifier to garment on the ends
- One size fits all
- Sold in packs of 5
