UNIQUE FEATURES

- Contemporary styling for those who seek a modern 'non-uniform' look.
- Embraces the new trend for longer, more forgiving, voluminous silhouettes.
- Soft and free flowing, a super comfortable style that's designed to be worn out.
- Light Mechanical stretch woven fabric is quick drying and requires minimal ironing.
- Inverted back pleat enhances the airy nature of the fabric and provides freedom of movement.
- Minimal 'show-through' even on the lightest colours.
- Available in classic, easy to coordinate colour tones.

DECORATION

- Recommend embroidery. This is a soft fabric so large, heavy logos may not be suited.
- Play up the elegant appearance with tonal embroidery.

Coordinates back with Camden shirt range for a Mens option.
